

***Amendments to the Specification***

Accompanied herewith is a substitute specification excluding the claims pursuant to 37 C.F.R. § 1.125. Pursuant to 1.125(b), applicant submits that the substitute specification includes no new matter. A marked up version of the substitute specification showing all the changes to the specification of record is included.

***Amendments to the Drawings***

The attached drawings include changes to FIG. 1-3 and insert new drawings 4 and 5. These drawings replace the originally filed drawings. The original drawings contain annotation in red indicating the revised numbering scheme. As described in the Remarks which follow, the drawings are fully supported by the originally filed specification. Numbering has been revised to more clearly point out the features of the invention.

Entry of the new drawings is respectfully requested.
